

The December Holiday Party at Grayhawk was a resounding success. It appeared that everyone had a great time. Credit goes to Paul Morel for making this a terrific event. Garry Mion also provided members and guests with a “State of The Chapter” presentation; All useful information.

Our entire Chapter proves once again how generous our members are. They all came with a charitable heart that agreed to provide funding to The Phoenix Children's Hospital. In total, the Chapter donated \$1,800.00 to the Hospital. That contribution was made up of the following:

- \$500 Donation from the AZ NCRS Chapter
- \$500 Matching Donation from the National Organization
- \$100 per Corvette Owner "In the Lineup" (C1 - C8)

Thank You All For Your Kindness and Generosity!
