

The December Holiday Party was once again a resounding success.

Many thanks to Paul Morel for choosing the site, organizing the details and for volunteering to make it a successful event.

As evidenced by the picture of Garry Mion below addressing the members and guests (taken by Loren Peterson) everyone was kept informed of the Club's activities.

We wrapped up 2023 with our Holiday celebration at Grayhawk Country Club. The event was for the benefit of the Phoenix Children's Hospital and our members. It was a beautiful day with great people, tasty food and a great selection of mid-year Corvettes on the lawn for all to see. I am happy to announce that even with less lawn cars and fewer attendees, we broke last year's donation amount. This year (2023) we will donate over \$3,200 to the children's hospital on behalf of the Chapter and our members. I want to personally thank everyone that donated. You helped make this a meaningful event. I can't wait to see what we can do in 2024!

Garry Mion
Chairman

In 2022 we honored Grayhawk Country Club with a display of one Corvette of every generation. In 2023 (this year) we assembled one of the finest collections of C2 (1963 - 1967 Corvette Sting Ray) Corvettes in Arizona.

There are not too many places whereby you can display a C2 Sting Ray with its' top down in December!

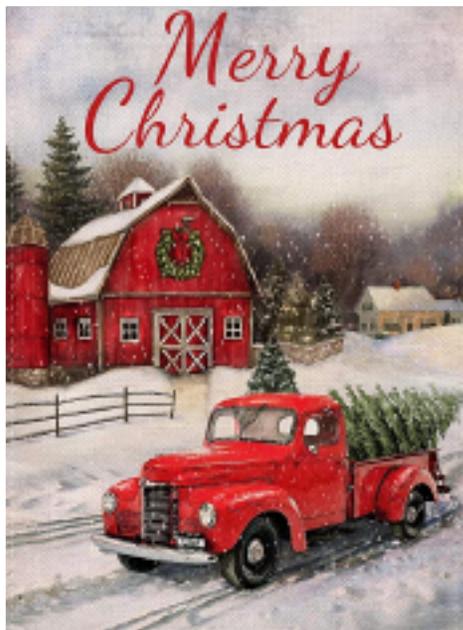

Thanks go to all of the AZ NCRS Chapter Members that brought their cars for this event. They made Children from The Phoenix Children's Hospital and their parents, brothers and sisters very happy through their donations.

Happy Holidays!
