

# 2023 Fall AZ NCRS Judging Event; Streetside Classics

Gary Craig, Judging Chairman, took responsibility for the Judging Event and enlisted help from others. It was a terrific event and educational for all who attended. Some really beautiful Corvettes were judged and Streetside Classics was, as usual, a terrific host.

Flight Awards were Presented to These  
Fortunate NCRS Members  
They Put In The Effort and Are Rewarded!

From Left to Right:

Mike Thompson: 1957 Second Flight  
Jim Messmer: 1965 Concours Blue  
Craig Boiley: 1963 Top Flight  
Larry Christensen - 1963 Top Flight  
Rex Weber: 1967 Second Flight  
Ray Geiger: 1967 Top Flight  
Doug Brown: 1996 Top Flight

Margaret's new purchase of a very low mileage 2008 Will Cooksey Z06!

On Friday, we had a Judging School regarding Judging Etiquette, given by Pete Bergmann and Gary Craig with very good participation from all of the members. This school was very instructive since the following day, we would be using these techniques on all seven cars.

We had 21 Chapter members attend this Judging School.

It Takes a Great Deal of Effort to Put on a Successful Judging Event. We're Fortunate to Have Many Dedicated Individuals Within the Chapter that Contribute Their Time and Effort to Enable Us to Enjoy a Great Event.

Thank You, All:
