

For those staying at the host hotel and have a car, you will get a reduced rate of \$15/night to park in the garage.

For those not staying at the host hotel (local or another hotel), taking an Uber/Lyft may be the best option depending on distance. Otherwise, there are two parking options:

- Utilize the west side parking lot that is accessed at point A. You will pass through the gate after taking a ticket. Please retain your ticket, you will need it to exit (or pay \$20). The ten hours starts when you enter the gate. Travel south and park near point B, which has an entrance closest to registration and the Media Center.
- Utilize the east side parking garage at point C. Note the rates and restrictions. Choose this path only if you want to park in the shade, as the distance to the media center is much longer than parking on the west side. Hotel entrance is at point D, or if you park/walk to the south side of the garage you can enter at point E.

If you are a risk taker, you can park in the restricted parking lot to the north of the hotel. Be sure to check posted signage in case there are changes to the following: On Wednesday it is free parking for Westgate (not hotel) visitors; On Thursday and Friday, it is free until 3pm, then becomes paid parking for the Arena Event; On Saturday and Sunday, it is paid parking all day. There are sweeps by security in a marked van. The lot is also monitored by cameras. Normally it is not a problem for hotel guests to park here, but given the construction and the show it is likely the lot is more closely monitored.
